

# Complimentary Seller coverage

## Seller coverage from 2-10 Home Buyers Warranty is complimentary!

It's true! Seller coverage from 2-10 Home Buyers Warranty (2-10 HBW). To protect yourself, the Seller, and the Buyer, present the Service Agreement for consideration to all parties prior to closing.

**No purchase required for Seller coverage.**

## Agents use our complimentary Seller coverage to:

1. Protect their transactions
2. Reduce post-closing disputes
3. Start a track record for the home's systems and appliances

Complimentary coverage applies to the Seller's appliances, heating, plumbing, and electrical.

For just \$50, your Seller can add protection for their A/C and heat pump (payment due at closing).

If your Seller places an eligible service request, they'll owe a small Service Fee to the contractor.

## Give your Seller peace of mind with coverage from 2-10 HBW.
